America's Top Dog & Beauty Queen

Peaches a 3 year old Yorkshire Terrier was winner of the prestigious National 2015 America's Top Dog Model "Helping Paws" Contest and a Certified THERAPY dog, owned by Bob and Claire Spielman of Lake Worth, Fl.

Peaches is a graduate of Share-A-Pet, a Ft. Lauderdale, Fla.-based program that provides certification and insurance for pet owners who use their pets in therapy work.

"Peaches has brought so much joy to children in homeless shelters and hospitals, and she also visits patients in nursing homes." said Claire Spielman.
